Here at your ever-lovin' *Club* we like to give you a good mix of girls. A bit of what you've come to expect, a few newbies thrown in the mix, a blast from the past, all manner of hair colours. This issue might be the most perfect encapsulation of that. A redhead (Bree), a blonde porn star (Jesse) a Euro brunette (Connie), a newbie or two (Aidra, Charlotte) and a Brit (Nina). Hell, we've even invited unshaven Raven along to the party to mix things up further. Muff said...

Dear Club,

When I took up horse riding, the only thing that my boyfriend, Mike, could think of saying was, "I can't wait to see you in jodhpurs!" Whilst I was a bit pissed off with him at the time, I've since found that I love to wear them. I feel incredibly sexy, arriving home with my body squeezed into tight material that shows off all my curves. He's been careful not to make any more comments, as he knows how seriously I'm taking each lesson, so as a reward I decided to give him a treat.

My lesson was cancelled, but I didn't tell him, getting ready as usual. I made sure he watched me as I climbed into my jodhpurs, wearing only a tiny G-string underneath. As I pulled each boot on, I could see his eyes burning into me. Still naked from the waist up, I gently arched my back and took my time pinning my hair up, checking and admiring myself in the mirror. I then proceeded to place my riding helmet on and reach for my jacket. I caught his bemused look in the mirror, before turning to face him with the riding jacket half open, displaying my cleavage. His jaw nearly fell to the floor when I announced, "I thought I'd give the riding lesson today."

As I walked seductively over to the bed, he edged back with wild excitement in his eyes. Placing one leg on the mattress, I picked up my riding crop and ran it along the inside of my thigh, before placing it between my legs, taking the other end from behind and pretending to ride it. His chest heaved up and down with anticipation, and holding the crop like a jockey I crawled onto the bed slowly, straddling him. I could see the lump bulging in his trousers, so pushed my crotch over it so I could just feel his dick against my mound.

I began to grind my pussy hard against it, taking the collar of his polo shirt tightly in my hands as if I was gripping reins. The crop was still in my right hand and I increased the rhythm of my hips, sitting upright in the perfect riding position, my tits bouncing freely inside the velvet jacket. After about a minute or two, Mike suddenly pleaded, "I can't take this any more!" and yanked at the elastic waist of my jodhpurs, exposing my hips and the band of my G-string.

Letting him pull them past my knees and down to my calves, I opened his flies, his dick springing upright immediately. Mounting him again, I sunk over his shaft easily, my pussy

THE GOLDEN AGE!

Dear Club,

Being one of your older readers I've been buying club since the early 90's and I've often wondered why you state the age of your printed lovelies in *Mayfair* magazine but not in *Club* or *Men Only*, and as I'm an avid buyer of all these titles I would very much like to see the age of the girls from now on. If I'm jerking off it is a massive turn-on to know how much younger a girl is than I, especially as I'm approaching the ripe old age of 38. Is this something you could do for your readers? Also, any chance of some re-runs from bygone days? I would very much like to see a reprint of the early 90's and your much-loved centre spread of the day

Lucy! I particularly remember one shot of her dressed as a buxom cook in an old style kitchen set, trussed up in some old outfit with flour all over her bum, something that really did it for me back in my later teens.
Justin, Jersey.

This editor first started buying Club when Lucy was the regular girl, and I remember that set very well. I'll leave it up to other readers as to whether we do re-runs or not – or would you rather we kept all the pages for new girls? Or shall we bring back our 'Crack to the future' feature? As for ages – we let you know when we know – some girls can be a bit precious about that information!

OVER THE POND!

Dear Club,
Sophia, Sasha, Chloe, Amy Pond's bum – *Club* 43/5 was the perfect issue for me, especially as you added my favourite Yank in Mia as well. Any chance of getting her over to the UK to shag all my fave Brit girls? I'd like to see her and Dani Maye share a double-ended dildo, or to watch her get really dirty with Sasha. Please say yes!
Kam, Clapham

We're not sure we can pull those strings – especially as Sasha has left the world of modelling once more (although not before one last kick-arse photoshoot for Club, coming soon!), but we'll do our best. And keep it peeled for a new Club regular girl coming soon!

lips wet from the foreplay. I returned to my riding position and began to fuck him quicker, gripping his collar and telling him I was going to take him on a, "nice long gallop."

My boots were digging into his thighs as I worked myself into a shagging frenzy, his length filling me totally as I 'rode' myself to orgasm. "Cum with me," I commanded, and almost on cue I felt his warm load shoot into my hole. The amount of spunk he pumped into me was incredible. Catching sight of myself in the mirror, my head rolled back in ecstasy, I saw the rigid nipples of my tits poking out through the jacket. At that point I realised just how right he had been all along, I certainly did look and feel horny in jodhpurs. However, I felt even better with them around my ankles!

Stocking thriller...

Nina came over to do an in-house photo shoot and we got to learn at first hand just how much she loves to glam up.

"I got to pick from all the lingerie and it was like being a kid in a sweet shop," she gushed. "I could play dress up all day. It's all about maximum impact – getting the right combo to get the right look. You don't want to overdo it and look too slutty, and you don't want to have to peel too much off when things get interesting. I definitely feel powerful and much sexier when I'm wearing stockings, suspenders and high heels."

We feel sexier than as well... ♣

Carl Froch vs George Groves

Wembley Stadium – May 31st

The sport of Boxing has been blighted by some dubious decisions over the years, and the 'stoppage' that ended the first bout in this domestic saga is a particularly good example. When referee Howard Foster decided to step in during what might best be described as 'a sustained flurry of punches' in the ninth to award Froch the fight with Groves well ahead on points and having knocked his opponent down in the opening round it was no surprise to see the latter's camp in outrage and immediately baying for a rematch.

Back in January they got what they wanted when the International Boxing Federation ordered Froch to grant Groves another shot at the title or relinquish the belt. He reluctantly agreed, Wembley Stadium was booked and 60,000 tickets sold

out in under an hour. This, it seems, is a fight that everyone except Froch is desperate for.

There's no doubting Froch has garnered a huge following over his career and has a hard-earned reputation for being an outstanding super-middleweight, tough and explosive at his best but with a frustrating habit of not turning up at times. The man they call The Cobra has unleashed venomous knockout blows to quality opponents such as Lucian Bute, who he dismantled in five rounds back in 2012, and the following year Froch puffed his fleshy neck out (okay, so this isn't really working – Ed) to avenge a previous defeat at the gloves of great Dane Mikkel Kessler by battering him over the distance at a packed O2 Arena.

Prior to these glory bouts, however, Froch was largely outboxed by the classy American Andre Ward, and has thus far evaded a rematch against a man who doesn't consider the Nottingham born battler to be

a priority. At 36, some say it's high time Froch was ousted by a younger, hungrier man. Whether that man is George Groves is a question to be answered properly at Wembley Stadium – referee permitting.

Despite edging out former Olympic middleweight gold medallist James DeGale (who fights on the undercard of this bout) on points across a couple of close encounters and being well ahead in the first Froch fight before the untimely stoppage, Londoner Groves is still relatively untried against world top-notch opponents. General consensus is that if Froch brings his 'A-Game' to Wembley Stadium on 31st May then there can only be one winner, but anything below his best gives Groves a big chance. The hatred between these two also opens up the possibility of an all-out brawl, which would render the result something of a lottery. Whoever prevails, the next challenge for the victor looks to be a shot at Andre Ward, although should Degale prevail another lucrative all-British bash could be a tempting alternative.

Champions League Final

Lisbon, Portugal – 24th May

The biggest tournament in club football is fast approaching its grand finale, and unfortunately for most of the British teams involved this season the 2013/14 Champions League has once again mostly been one to forget. Celtic finished plum last in their qualifying group, Arsenal and Manchester City were outplayed by current holders Bayern Munich and Barcelona respectively at the last 16 stage, and then Bayern went on to heap further misery on our domestic game by putting Manchester United to the sword in the quarter-finals. Chelsea benefitted from a more favourable draw and managed to huff and puff past Galatasaray and Paris St-Germain into the semis in a workmanlike manner similar to their charmed 2012 run, which saw them somehow topple Barcelona over two legs and then go on to win the trophy.

The Premier League might on paper be considered second best to Spain's La Liga in terms of overall performance in the Champions League, but the harsh reality is that at present the cream of the Spanish crop are a world apart from their erstwhile English rivals. Barcelona and a resurgent Atletico Madrid cruised to the quarter-finals this year before Atletico edged out

Barcelona in a thriller to reach the semis. Real Madrid were unbeaten in the group stages, demolished Schalke 06 in the last 16, and then held firm against a battling Borussia Dortmund, 2013's losing finalists.

Whoever lifts the trophy this year at the Estadio do Sport Lisboa e Benfica, many will point to the rise of Atletico Madrid as the surprise highlight of the competition. After finishing a fine third in La Liga last season, Diego Simeone's men earned qualification for the Champions League and promptly began taking it by storm, topping their group by some distance and then walloping AC Milan. However, it was by knocking out Barcelona that they really announced themselves as top-level contenders, reaching the final four for the first time since 1974.

With the British clubs floundering, La Liga establishing

strength in depth, and the Munich machine (footballing cliché alert) looking efficient as ever, the future of the competition is looking a touch bleak for teams on these shores. Chelsea may beg to differ, however...

Super League Magic Weekend

Etihad Stadium, Manchester
= May 17th and 18th

After the success of the Rugby League World Cup hosted by England and Wales last year, much anticipation and excitement surrounded a domestic season that many pundits predicted would take the game from a largely niche Northern pastime to some kind of countrywide acceptance and subsequently new heights of popularity.

Whether the north/south divide

has been straddled or even mildly breached is still very much open to question, particularly as the only southern club in the competition, the London Broncos, are there essentially as token whipping boys. More fans overall are going to games, however, and ticket sales are reportedly up by 60% on last year for this Manchester-based Magic Weekend, a big showcase for the sport that sees a round of mid-season fixtures, helpfully strewn with crowd-pleasing local

scales at almost 40 stones.

Shortly after David Copperfield has made an Eddie Stobart truck disappear to wow the capacity crowd, St Helens will face Warrington Wolves, a team generally there and thereabouts in the end of season shakeup and one that battered The Saints in the corresponding fixture last year. Warrington, however, are currently enduring a loss of form after key early injuries to captain Ben Westwood and other key performers meaning potential

“St. Helens is a town in Merseyside that few people would have heard of were it not for their successful rugby league team”

derbies, taking place at the same venue across one, well, magic weekend, with Paul Daniels, David Copperfield and Dynamo performing the half-time shows.

The early Super League pacesetters this season are St Helens, a smallish town in Merseyside that few people would have heard of were it not for its famously successful rugby league team. After several years spent frustratingly falling short of former glories, The Saints have put themselves back in contention with a couple of heavyweight signings in giant hairy forward Kyle Amor and powerful Samoan prop Mose Masoe, who collectively tip the

revenge for The Saints and Warrington's Wolves despatched with a whimper.

Across what really is a dream couple of days for League followers, Wakefield Wildcats tackle a resurgent Castleford Tigers and Leeds Rhinos face Wigan Warriors in what is typically the most anticipated match of the weekend, a weekend that will do much to set the tone for the rest of the season. Even the London Broncos, who face the nearly as hopeless Catalan Dragons, have a chance of winning in front of the seven (approx) supporters who plan to bravely venture up to the Etihad from the capital. ♣

American Hustle

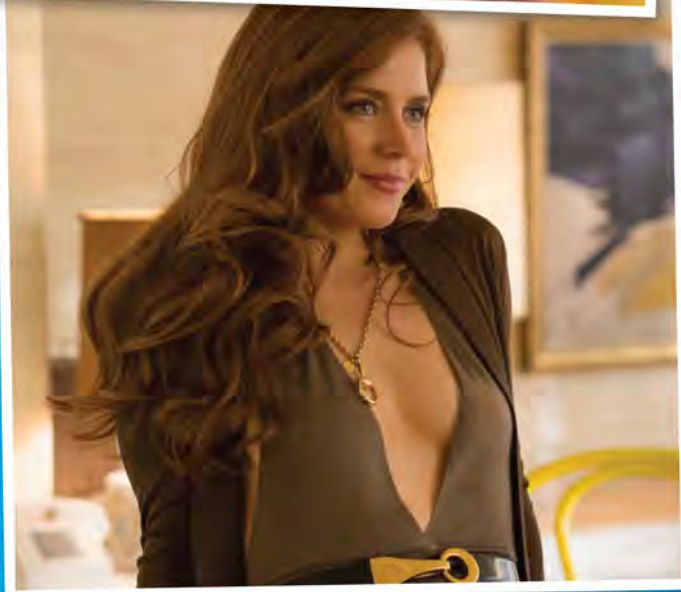

(Entertainment In Video, DVD £10, Blu-ray £13)

With all the awards and nominations this film garnered – 10 Oscar nods, 10 BAFTA noms – you'd think you were in the presence of filmic greatness. The truth is more complex. David O. Russell's period romp has much to recommend it, but it's the excellent performances by the leads that are perhaps responsible for the somewhat skewed critical response to it. Christian Bale is in fine form, Amy Adams steals the show and has never been better, while the brilliant Jennifer Lawrence owns every scene she's in. Add in standard shows from Jeremy Renner, Louis CK and Bradley Cooper and you've got an ensemble all cooking on gas.

But that's pretty much where it ends. The story – plucked from the real-life Abscam affair – is entertaining tosh, not one iota as interesting as, say, *The Grifters*. In fact, the plot could pretty much be that of *Oceans Twelve* or similar cinematic footnotes that shouldn't trouble the Academy. Similarly, the tone veers between comedy (although it's not that funny) and drama (it's not that dramatic), making this a bit of a mess at times. It's in love with the costumes and hairpieces a bit too much, like Scorsese without the psychological depth.

It's not a bad film – in fact, we recommend watching it for those cracking performances – but if this is what passes for a Best Film nominee, we're all going to hell in a handcart.

★★★

Fargo

(20th Century Fox, Blu-ray £12.08)

A belated Blu-ray bow for Joel and Ethan Coen's skewed cops and robbers movie, this hits the shelves at the same time as the TV series inspired by it hits the small screen. Age has not withered its charms – the somewhat mannered but indelible performances by William H. Macy, Frances McDormand, Steve Buscemi and Peter Stormare are the main attractions, but the setting is a character in itself. There aren't many bells and whistles on the Blu-ray, but the picture is rich in detail, and a good system will do the brilliant dialogue justice. A caper movie that's simultaneously violent, horrifying and hilarious – only the Coens could pull that off.

★★★★★

All Is Lost

(Universal Pictures UK, DVD £10, Blu-ray £15)

A one man show starring Robert Redford directed by JC Chandor, who'd only made the painfully average *Margin Call* before? *All Is Lost* sounds like a tough sell. Credit to the director and the leading man that it's only a fraction short of an instant classic.

Redford is an unnamed man in his yacht which is taking on water following a collision with a shipping container. It's one man's fight against the unforgiving elements as he faces trial after trial. There are no sugary flashbacks to give him 'character', only a grim determination to survive. Redford, 77, should have got the Oscar for this physical, gripping performance.

★★★★★

Doctor Who: Series 5

(2entertain, DVD £21, Blu-ray £15)

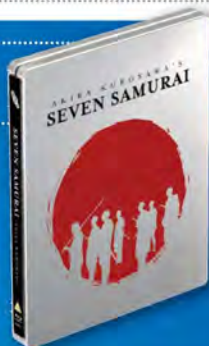

The highpoint of the Matt Smith era of *Doctor Who*, Series 5 sees his friendship with Amy Pond (and Rory) reach a peak that makes the constant drama heart-rending. We get Daleks, Weeping Angels and Cybermen, and the regulation duffer (*The Vampire of Venice*), but the series climaxes with the brilliant Pandorica-based stories that let Matt Smith really show his acting chops. ★★★★★

Seven Samurai

(BFI, Blu-ray Steelbook £19.99)

The influence of Kurosawa's samurai masterpiece can still be felt today, the narrative devices he used still filtering into the mainstream. Toshiro Mifune is a captivating lead, one of the seven who gather to protect a village from bandits. A simple set-up, but a rich character study. ★★★★★

Uncharted 3: Drake's Deception

(PS3 £10)

An absolute steal in this Game of the Year edition, *Uncharted 3* is best played directly after you've finished the brilliant *Uncharted 2*. There are gameplay tweaks, especially in combat, but essentially it's more of the same – well scripted, well acted and well good. Naughty Dog know how to deliver killer set pieces, and there are plenty here. Shame *U4* will only be on the PS4, though! ★★★★★

Classic Corner

Ace In The Hole

(Eureka, Blu-ray £12.50)

You could fill this corner with Billy Wilder films every month for a year. *Ace In The Hole* is one of his lesser-seen films, but it's still an excoriating portrait of journalistic ethics. Kirk Douglas plays the journo who finds a huge story but then begins to influence the story itself in ways that question how the media works. Do we get the media we want, or the one we deserve? The dialogue is spare and caustic, the cinematography looks a gem on this 1080p transfer. An absolute must, and a reminder of a master at the peak of his game.

book club

Wes Anderson Collection

Matt Zoller Seitz (Abrams, £21.99)

You may find Wes Anderson's films too mannered and all style over substance (you're wrong), and if that's the case, this book isn't for you. But if you like his schtick, this is essential. Full of musings, jottings, behind the scenes photos, facts, the only downside is that it doesn't include anything on *The Grand Budapest Hotel*.

The Poetry of Sex

Sophie Hannah (Viking, £14.99)

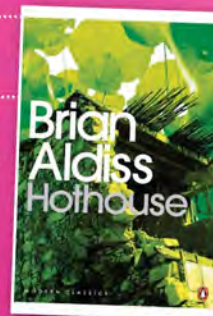

Sophie Hannah is a fine, award-winning poet, but she comes a bit of a cropper, as so many do, when it comes to sex. There's some good stuff here, and a wide variety of topics from the vanilla to the outre, but the verse itself is patchy, drawing on Yeats, Rochester, Wendy Cope and some less predictable others. Sex might be one of the great themes of literature and verse, but so rarely is it handled well. We recommend Talkin' Blue instead!

Hothouse

Brian Aldiss (Penguin Classics, £10.99)

An essential reissue from the Sci-fi legend (and one time Paul Raymond contributor), *Hothouse* depicts a world where the earth and the moon have stopped rotating and now present one face to the sun. Human and animal life is almost extinct, and carnivorous plants rule the globe. Well, apart from the dark side, where protagonist Gren and his tribe may well have to venture. A little dated, but still brilliant.

The Unknown Bridesmaid

Margaret Forster (Vintage, £6.99)

It may look like chick lit – and this is bound to find a largely female readership – but Margaret Forster is a properly grown-up writer. She depicts the turbulence and secrets of family life with real insight in this novel about child psychologist Julia. She's great at teasing out what is wrong with the children who come to visit her, but the book slowly reveals her own troubled background. Fine stuff. ♠

Yet another 'lifestyle wristband' (what happened to just having a digital watch that plays The Yellow Rose of Texas?), but one that's pretty nifty. It looks good, for starters, and will track various activities such as walking, sleep and, er, drinking water. You can use this information yourself or share it with friends for whatever humiliating reason. It's designed to help you sleep with little prompts, and will wake you from power naps after the requisite amount of shut-eye. Add in Bluetooth syncing and it all sounds so simple.

Pros: Good battery life, excellent syncing

Cons: Sleep app doesn't always work, some problems with activity measurement

Bose AE2w

bose.com

These are the days of the big headphones, and also the days of scoffing at people with certain brands of big headphones that might be okay, but certainly don't deliver £200+ worth of audio refinement (we're looking at you, Beats by Dre). These Bose efforts are in a different league, sound-wise, and they're wireless to boot, meaning you don't have to sort out then detangle the wires every time you take them off and put them on. Noise cancellation is great, the sound is rich, and the only downside we can think of is the prominent Bluetooth receiver

Pros: Comfortable to wear, proper sound

Cons: Bluetooth receiver sticks out like a sore thumb

Nokia Lumia Icon

nokia.com

About to launch in the UK (currently only available in the US, sorry), the Nokia Lumia Icon's main selling point might be its screen. 5 inches of full HD craps all over the iPhone, and once you add in Windows 8, quad processor and a 20MP camera, you've got pretty much the complete package. A nice feature of the camera is that it also makes a 5MP of the picture you take, better sized for social media sharing.

It's on the big side, sure, but feels fine in the pocket. The one problem it runs into is that of all Windows phones – it still can't compete on apps and as that is increasingly important for people, it's something to seriously consider.

Pros: Great screen and camera

Cons: Apps, and 2014's camera might be even better ♣

WHAT'S SHE LIKE? Classy, kinky

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I'm hoping to break into modelling, and *Club* seems like the perfect place to start.

JUST MODELLING?

Maybe some film work too. I've done some stuff with girls for a company, but I think I'm ready for boys now as well.

AND IN REAL LIFE?

I'm hetero all the way. I really like it up the bum and I'm afraid a dildo or a strap-on don't really cut it in that department. You need the real thing!

ANYTHING ELSE WE SHOULD KNOW?

Well, I'm unusual for a girl in that I hate reality TV. I'm not a cheap date, and I like to tie blokes up and tease them for hours. Will that do? ♣

Fancy a Reader's Girl slot?

Then send a picture, along with your name, address and a contact telephone number to:

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

There aren't that many Bond girls who do actual nudity in films, but the former Vesper Lynd is one that dares to differ. She first came to our attention in the otherwise pretentious Bertolucci movie *The Dreamers* (2003), romping nude with two blokes and showing us 'the lot'. She's given her boobs a regular airing ever since, and does so again this month in *300: Rise of an Empire*. We're not sure the overrated *300* needed a sequel, but if it needed a reason to exist, Eva's top twats are that reason...

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

FLASH! BANG! TROLLOP!

My boyfriend and I are avid readers of your magazine, and love it when you feature porn stars as they're so used to the camera they really know how to look good in photos! We've now started taking our own photos, and I've found that it's the best foreplay before a good sex session.

The first few photos that Kirk took of me were more saucy than dirty, but when we got them developed, just looking at them turned us on so much that we got down to it there and then! Soon I was removing my underwear and bending over, so that my pussy lips were squeezed between my thighs, always Kirk's favourite pose of your models. When we went to pick those up from the developers, I couldn't make eye contact with the young man who was serving me.

Last time, however, Kirk's dick, which is usually out immediately after the film has run out, was in my hand as he kept clicking away. I looked seductively up to the lens, with his prick pushed upright and my tongue on his scrotum. He took further shots of me with my eyes closed, just about to devour his bell-end, my tongue dripping with his pre-cum.

I then got on all fours, and Kirk photographed his length probing at the

entrance to my cunt, as I arched my back as sexily as possible. I could hear his heavy breaths of excitement, turned around to see him desperately trying to keep the camera steady. "Put it down and fuck me," I commanded, putting him out of his misery.

The camera discarded, both hands were on my hips, and he thrust his penis between my folds. He had handfuls of my arse in his hands, giving me a good hard pounding from behind, as I thrust my bum back towards him. It was so deep that I knew Kirk wouldn't be able to last much longer, especially after the visual tease I had been giving him beforehand. I reached back round to slowly take his dick from my twat, his swollen head dragging over my clit and sending a shiver through my body.

Back on my knees in front of him, I began to suck at his prick, putting my lips over the tip and each time going a centimetre or so further down his shaft. I drew my cheeks in

swallowing the final streams of cum.

That photo will definitely be our filthiest ever! I say 'will' as we haven't dared send that one to get developed, yet. In fact, I think we'll have to fit our very own darkroom in our house somewhere!

Christina, Sidcup

BLINDING DATE!

Recently, I was persuaded by one of my other single mates to join an on-line dating agency. I'm not really looking for a relationship, but I thought I'd give it a go for a bit of a laugh and maybe get a bit more action. I got a date straight away, but I was a bit apprehensive, so I decided to meet in a bar, so as to not be stuck with someone I hated for three courses of a meal!

This girl was pretty nice looking, but chatting to her I realised that our lives and interests were totally different, and it seemed clear that she felt the same way.

"I began to suck at his prick, each time going a centimetre or so further down his shaft"

as my head went back and Kirk motioned down for the camera. I passed it to him, and by this time I had as much of his length in my mouth as I could take and was widening my jaw, deep-throating him.

I knew he was fiddling with the camera, but no flashes were going off, so I kept taking him between my lips, using my tongue under his foreskin as my head came back. He positioned the camera carefully on the low bedside cabinet, and shifted his stance around slightly, so we were in line with the direction it was pointing.

He took his dick from my mouth and started wanking furiously an inch from my face, and it was clear that he had set the timer! I opened my mouth wide, expectantly, and his first jet of spunk fired straight against my tongue and the second against my chin. My face already drenched in jizz, the flash went off, and I had my mouth around his dick once again,

Nonetheless, it was a fairly decent evening, so I offered to walk her home. Arriving at her place, I thought she was just trying to be polite by inviting me in for coffee, so I thought I would behave the same way and accepted.

It was a bit of a stilted conversation until she said, out of the blue, "You don't really fancy me do you?" A little surprised, I replied, "No, I think you're attractive, but you know... we're not really wanting the same things in life, don't you think?" all of which was true. "Fair enough, I feel pretty much the same." What seemed like an awkward pause was then interrupted by her adding, "We could still have sex though?" This was too good to be true, and knowing it would be embarrassing to answer the question, I just grabbed her by the shoulders and went in to kiss her. Her response was enthusiastic to say the least!

We were soon staggering back to her sofa, frantically ripping each other's clothes off. She fell on me, her tits hanging out of her open blouse, my hands clawing to get at them. She had really nice, big boobs – that had been one of the things I had liked about her. Unzipping my trousers, she pulled out my erect cock and, straddling my thighs on the sofa, began to run her hand up and down my pole. I played with her soft tits, tweaking her nipples as she stared down at my crotch, concentrating on tossing me off well.

Her rhythm quickened, and I pushed her skirt back up her thighs, revealing white cotton panties, which I loved. Taking hold of

“ I had her bum in my hands, feeling it slap together as she drove her cunt onto my prick ”

them at the sides, I pulled them down enough to reveal a neatly trimmed strip of pussy hair, and knew I needed her on my dick. Cupping her arse and pulling her towards me, her mound was rubbing against her hand that was gripping my dick. Pulling her knickers aside, I hooked my finger into her slit and rubbed her clit with my thumb, encouraging her to wank my dick harder and faster.

She then rose up onto her knees and mounted my rigid meat, moaning with delight as she sunk down the full length. Once deep inside her, she began to ride my cock wildly, her big tits bouncing around against my open mouth. I had her bum in my hands, feeling it slap together as she drove her cunt hard down onto my prick. "I'm cumming!" she soon announced, and as her muscles tightened around me, I began to deliver my cream deep into her. The speed of the whole thing, from drinking coffee to our juices mingling together as I held her half-naked body, was fantastic! Not knowing what to say, I offered, "I wasn't expecting that," and we both laughed. What I certainly wasn't expecting, however, was to now have quality regular shags, whilst I carry on looking for the 'ideal' date. In fact, I haven't been looking too hard!

Ben, High Wycombe

BOTTLE BONK!

You know when you're in a club or a bar

and those girls come up and make you drink tequila from their cowboy-style pouches full of shot glasses? Well, thanks to my shapely legs, big blonde hair and squeezable arse, that very job got me through my Art History Masters. Yup, I'm one of those annoying women who has the looks, the body and the brains to match!

Now that I've given it up to do my proper job (I can't say where or I'd be in too much trouble!) I thought it'd be the perfect time to confess about my cowgirl days. And I bet there are a few of my ex-cowboys reading this. You know who you are! On my first night in the job I rocked up in the tiniest little brown suede hot pants, knee-high brown leather cowboy boots and skin-tight vest. I felt like a complete slut and loved every moment. It was a million miles away from the formal lecture halls that I spent the day in.

By 11pm the place was rocking and full of sexy guys begging for my juice. The more fucked they were, the more money I was making and the crazier I became. Pouring tequila straight from the bottle right down their throats, I understood why you guys love us girls on our knees, mouths wide open!

There was this one cute guy who had caught my eye from the moment he stepped into the bar. I clocked him eyeing up my body, his eyes lingering on my booze-soaked vest and especially my wet little nipples peeking through it. He kept buying his mates more

and more shots and, bending over him to serve his friends, I asked him why he wasn't drinking. He coolly replied that he wanted to be on top form for me later!

Cheeky sod! Although I was keen, I wasn't going to let him have me that easily! As I carried on piling drinks down his mates' throats I was careful to make sure I bent over, giving him a full view of my round, bouncy bum from every angle. Apart from this cute guy, I noticed I was getting the eye off a couple of his mates too. I didn't necessarily fancy them that much, but the attention was getting me hot and my mind was turning to dirtier and dirtier scenarios.

With a wink and a smile I beckoned to him and his mates to follow me. I took them through to the bar and then veered off to the toilets. Table five gave me a shout and asked me for three shots of the good stuff but I was too busy to go back and serve!

Once I was in the gents I turned round, planting my arse on the seat and looked up to see what I'd got. There was my cute friend and on either side of him, like a pair of bouncers, were his mates. One of them held a bottle of tequila in his hand as if he was

about to brain me with it.

"Well, why don't we do some shots?" I said, pulling down my top to reveal my perfectly pert boobs and grabbing the bottle. I soaked my boobs in over-proof booze and grabbed the back of my friend's head, dragging his probing tongue over my heaving tits. While he took his medicine his mates leaned forward and their hands started pulling my skirt up and my knickers off. I gasped as I felt my trimmed pussy get fingered and licked by these total strangers.

"Hurry up you fuckers!" I gasped as a couple of fingers slipped into my sticky cunt. And out of the corner of my eye I saw a cock being wanked. I poured a good treble of tequila over my cunt. It stung a little, but the pair of tongues entwining in my twat sucking it up took the pain away. I stuck one leg up on the toilet roll holder and one of the blokes put one under his arm so my wet, dribbling cunt was stretched wide open for all three of them to see.

They all had a swig from the bottle, then

"I took the two cocks that were in either hand and buried them both deep in my mouth"

gave me one, and the bottle went back around again until it was drained. Then they put the neck of the bottle in my hungry twat. I sighed and groaned as it went up all the way to the Jose Cuervo label.

In the meantime I reached out for some cock and I wasn't disappointed with the two hot and heavy members on either side of me. I turned to my left and took the head of one into my mouth, cupping his bollocks in my hand. Then I turned to my right, as the bottle was thrust metronomically into my cunt, to take the other stiff shaft in my mouth. I put a hand down to rub my clit, getting really turned on at what a slut I was being, taking two cocks in my mouth at the same time. I felt the bottle being withdrawn and a hot cock head teasing the entrance of my cunt.

"Give it to me!" I gasped, and with that this big dick stopped toying with my clit and slid into my by now sopping love tunnel. The feeling of his cock filling me up to the brim excited me so much that I took the two cocks that were in either hand and buried them both deep in my mouth. I pushed my legs back further to get the dick in my fanny even deeper. Bang, bang, the thrusts in and out didn't take long to make me cum.

There was someone knocking on the cubicle door and this gave the whole affair a dangerous air. Not only that, but I was sure I'd taken an order for three tequilas on table five! I couldn't go out with spunk on my face so I dug my fingers into the guy in my twat's arse and rode him to a climax in my cunt. Then I turned over and encouraged the other two to take his place and do me doggy-style.

I cried out as they held onto my tits and fucked me fast and furious from behind, their cocks alternating, one slow and steady, the other like a steam-hammer, until both offloaded in my fuck hole. Ignoring the hot fluid running down my leg I gave all three a kiss – on the mouth and cock – before getting back to my shift.

Table five finally got their shots and when they left, drunk, later on, I thought to myself that I'd had my fill as well. Only mine was without the salt and lemon!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

STUFFING THE STAFF!

I love younger women: most especially young ladies around 18 years of age. Their fresh, firm young bodies and eager-to-learn attitudes really make my cock stiff.

As a successful businessman, I find myself with no shortage of willing females to screw. In fact, the young temps and trainees my company employs are usually more than willing to perform a great many operations beyond those stipulated in their job descriptions!

The one, rather irritating, exception was a somewhat snobby girl called Alison, who first came to work for my company last summer. She was from a wealthy background, and although she did her work willingly enough, she remained aloof and unresponsive to either flattery or praise. I would have moved on to easier prey, but her fresh face and pert little bottom attracted me so much that I became increasingly determined to woo her and do her.

My opportunity came one rainy afternoon after work. As the morning had been warm and sunny, Alison had come out without a coat or umbrella and I offered her a lift home. Although she looked as though she'd have preferred to decline, she got into my car. As we drove I turned on the radio and she sat back, stretching her long legs out in front of her, and appeared to relax in my company for

the first time since we met.

As we chatted she let drop that the other girls at the office had warned her of my attraction to younger pussy and that they were even taking bets on how long it would be before I bedded her! This was a surprise, and I pretended to be shocked and bewildered, protesting that although I might indeed have dated some of the younger staff from time to time, their age was immaterial.

After that I kept the conversation strictly to likes and dislikes. Surprisingly, we shared some of the same interests, including a fondness for the finest Chinese cuisine.

We were coming up fast on a Chinese restaurant that I knew well. It being a Friday evening, I suspected that they would be fully booked, and a plan occurred to me. I asked if she would like to stop and have some Chinese food with me. She agreed. To my relief they were indeed booked up, and, feigning disappointment, I suggested diffidently that we could perhaps grab a take-away and eat it at my flat. To my delight, she agreed.

As I warmed the plates, she made herself at home, kicking her shoes off and fetching the cutlery, before settling on the sofa to eat. Now normally, watching someone consume noodles isn't the prettiest of spectacles, but young Alison had a way of making it incredibly erotic. She ate small mouthfuls, closing her eyes as she swallowed. Dipping her fingertip

down to lick and kiss the inside of her thighs, lapping up her love juices as they trickled from her youthful pussy. Then, lapping her warm, moist sex, I pushed back the tiny fleshy hood surrounding her clitoris until I found that little pink button. At this, she pressed her cunt hard onto my probing tongue and, grasping my head between her hands, began to ride

“Pulling her panties down I spread her bum cheeks and pushed my tongue-tip up her arsehole”

into the gooey sauce, she'd lick it gently, closing her lips over her finger to suck off what remained of the sauce in a highly suggestive manner.

Aware that she had my full attention, she grew bolder and it became apparent to me that this prim young miss was in reality a tactful little tart. Laying her fork aside, she slowly leaned back on the sofa, pulled her short skirt right up and put both hands between her legs. Moving her panty gusset to one side, she began to frig herself gently, pulling her pink cunt lips apart, and asking softly if I still felt hungry!

Her pussy was swollen and spread open. It was supple, fresh and entirely shaven. I knelt

my face. After a few seconds of this I adjusted my position, moved my tongue back up her slit and inserted a finger into her well-lubricated slot, searching for her G-spot. I must have found it because she moaned her appreciation loudly and orgasmed.

Compelled by everything in me to taste every inch of her, I turned her around so that she was kneeling on the sofa and pushed her skirt up her back to admire her pert young buttocks. Pulling her panties down to her knees, I spread her bum-cheeks and roughly pushed my tongue-tip up her arsehole. I licked around her puckered little ring and then I delved back in again, trying to stab my tongue as far up her tight, sweet-tasting anus

as it would go. She was writhing with pleasure as I reached forward to play with her tight little pussy, and as I buried my fingers deep into her slit, I felt her pussy spasm as she once again climaxed.

As Alison leaned with her face pressed against the back of the sofa, attempting to regain her breath, I hastily removed my trousers and shorts. My cock had by now grown to grand proportions. Stroking my rock-hard prick I turned my attention once again to the young lady's anal orifice, already nicely lubricated by my tongue. I spread her buttocks wide apart and lowered myself until my eager cock nudged against her gorgeous little rosebud.

Lubricating my penis with her pussy juices, I penetrated her incredibly tight little bum-hole and we both groaned as my weapon very gradually worked its way inside, all the way up to the base of my shaft. Remembering what a stuck-up little bitch she had been towards me over the last few weeks, I began to fuck her arse hard with something akin to a kind of strangely pleasurable resentment, and, suddenly experiencing a rush of indescribable excitement at the knowledge that I was finally slamming my prick hard into her prim little hole, I released my spunk deep inside her tender rectum.

Alison got up, saying that she'd like to take

a shower. I gave her directions and followed her into the bathroom. She looked deceptively innocent, standing in front of me removing her clothing. She slid her white cotton panties down her legs and tossed them onto the bath-stool, then, unfastening her skirt, she allowed it to drop to the floor where she stepped out of it.

I became turned on by the sight of her briefs, and in the course of picking

them up to lay them on the stool, I passed them in front of my nose while Alison's attention was engaged in unfastening her bra. The brief scent of those panties did wonders for my libido, and to my surprise I found myself becoming hard once again. Alison's tits were luscious; perfectly formed, like two soft, ripe peaches.

As we stepped into the shower Alison threw

her arms up around my neck and began to kiss me, slipping her tongue deep inside my mouth. I pushed her against the wall of the shower and started to massage her nipples, squeezing and pinching them as she wriggled against the tiled wall. Running my fingers down her body I squeezed her arse cheeks; then reached forward and began to massage her clit.

"Fuck me now! I want your cock in my pussy!" she begged, grabbing my now part-engorged member and wanking it vigorously. Whilst she was still leaning against the wall, I pulled up both her legs so they were wrapped around my waist.

She moaned with pleasure as I stiffened sufficiently to enter her, my cock slipping easily into her already juiced-up pussy. I rammed my old chap frantically in and out of her hot little cunt with so much force that my balls occasionally made contact with the cool ceramic tiles immediately behind her.

By now things were getting sweaty; and I wanted to prolong my pleasure – so I turned on the shower. The water was chill at first and we slowed our rhythm as the cold water engulfed us. As the spray warmed, we began to soap each other, working the soap into a

lather and massaging each other's erogenous zones.

As I worked on her tits my todger poked her hard, and she moaned as I started to pump into her with vigour. I rode the snooty young bitch as hard as I could, the violence of my thrusts slapping the small of her back on the tiled wall. My own back was aching as I plumbed her spasming twat and I could feel my foreskin sliding back and forth over my by-now inflamed bell-end.

I thrust my penis extra-hard up her convulsing pussy with all my strength, feeling myself on the brink of climax, and, with a last surge of energy, slammed my cock as deep as humanly possible into her tight cunt, giving it all I'd got.

Her face contorted as the manoeuvre sent waves through her body and she cried out in pleasure. Her vaginal muscles gripped and held my shaft as she climaxed, spurring me to greater efforts. But I wanted to sample that arse again and, as she'd cum, I took my chance. I pulled out of her pussy and, using her cunt juices as lube, rammed my cock all the way home again in her bum. A few thrusts in that incredibly tight hole and I shot my white-hot load inside her.

Afterwards, when she got out of the shower and wrapped herself in a fluffy white bath towel she looked so young, sweet and innocent. It was hard to imagine that this was the filthy woman who had drained my bollocks dry and satisfied me utterly. She left my employ a few days later with nothing more than a smile; no letter of resignation, no explanation... leaving me wondering – who really chalked up the sexual conquest on their bedpost that night: Alison, or yours truly?

BREE ♣

Red alert...

Bree returns, her red locks glowing, her pussy freshly shaved, her backdrop still as breathtaking as she is herself. For some reason, we fancy a fondue...

"That's the fresh Swiss air," says the girl who left the USA behind for Europe and, we can only assume, a more favourable tax regime.

"It's nothing to with money," she protests, "or Toblerone, for that matter. Nope, it's all about the men of Europe, fresh air and, okay, I do like Toblerone a lot."

And fondue, Bree. Don't deny it... ♣

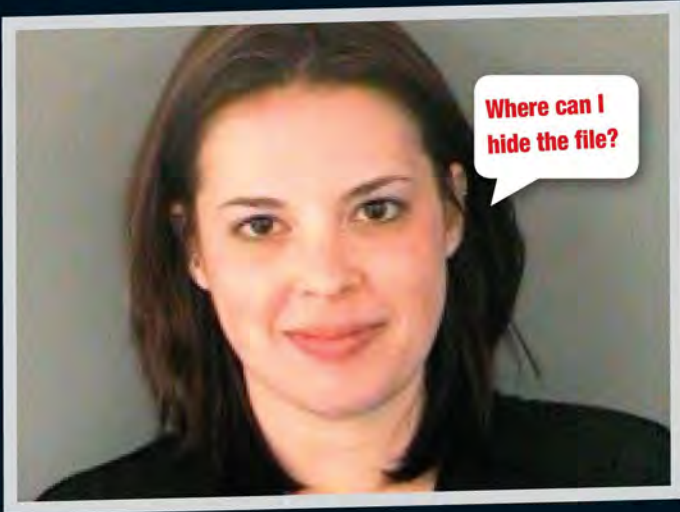

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bare Bars!

Where can I
hide the file?

Well, this is one way to brighten up your fella's time behind bars. 26-year-old Maura Fussell of Reston, Va., turned up to visit her husband at Arlington County Jail in nothing but her birthday suit and giving off fumes similarly experienced in a distillery. Fussell was given the offer of a cab home or a night in the clink by the duty officer and she chose the latter. Both Mr and Mrs Fussell were released the following day. What's all the Fussell about?

McFuel-ry Mania!

He was bound
to pin it on
Hamburglar again!

How do you make a car go woof? According to witnesses a Florida woman treated a man's car to the gasoline and lighter remedy after he refused to buy her a McFlurry from the nearby McDonalds. Bystanders looked on as the pair's argument escalated and the threats started flying. The unidentified woman allegedly produced a bottle and proceeded to pour the contents over the car, then struck a match. The Jacksonville Fire and Rescue Dept quickly brought the fire under control, however the suspects had scarpered.

Canine Keg!

Getting our pets to do tricks seems to be a human hobby though some people do take it to extremes. A Twitter photo of a Labrador retriever doing a keg stand, taken by college students in Western New York, has landed them in a whole pile of steaming dog shit. Officials say the dog was being forced to drink and have charged Shane Oliver and Roberts Yates, both 20, with torturing and injuring an animal. Mya, who is in good condition and nearly over her hangover, has been removed for her own safety.

I'll have hair
of the dog!

Hand in the Cookie Jar!

Matthew Coleman, 30, attempted a Sesame Street steal from a construction site in Friendswood, Texas. He was arrested for allegedly stealing rebar piers and hurricane fencing but what may have given the game away was the distinctive Cookie Monster onesie he'd chosen to don. A witness reported seeing Coleman and Dean Stevens loading their trailer with the items from the construction site. Police later pulled them and charged them both with theft. Stevens was more casually dressed for the occasion and currently no cookies have been reported stolen. ♠
